

OMB6511PY

Multi-Level Baking

With the improved heat distribution system, hot air can be delivered to any layer, every corner inside the cavity evenly so that every cupcake gets what it needs to be nicely baked. Now you can bake 3 layers, up to 60 cupcakes at the same time.

Pyrolytic Self-Cleaning

Automatic process during which the oven will be heated up to 450°C and the residue inside the cavity is incinerated to ash. Simply clean the cavity with a damp cloth, making arduous scrubbing and abrasive cleaners a thing of the past.

Cabinet Light

Food is always visible at a glance with halogen light that lit up every corner inside the cavity.

11 Cooking Functions

Find the program that matches your cooking plans. Improve your cooking skills and choose between different programs including conventional, double grilling, low or top heater, and much more with only a few touches.

Anti-Fingerprint Surface

No fingerprints on stainless steel. The surface is protected by inox which is stain-resisted, requiring no special cleaning agent.

Telescopic Shelf

Five shelf positions and an optional telescopic shelf provide easy and safe access to the cooking tray

Technical Specifications

Oven Capacity	65 l
Max Power	3200 W
Voltage	220 - 240 V
Temperature Range	50 - 250°C
Dimensions (WxDxH)	595x565x595 mm
Cooking Functions	11

Features

Four Layer Door Glass
Forced Cooling System
Removable Door Plate
5 Shelf Positions
Electronic Child Safety Lock
