

MATURA

CREATING COMFORT

Built with unmatched strength and reliability, ensuring it can handle the toughest laundry challenges with ease!

Upgrade your laundry routine with the **MATURA SIGMA**, your reliable partner in laundry excellence. Embrace the future of washing technology and experience the difference of fresh, clean, and hassle-free laundry like never before.

FEATURE

Customizable washing programs:

Say farewell to one-size-fits-all washing methods! Our washing machine boasts a versatile selection of 16 programs tailored to suit various fabric types and washing needs. From delicate fabrics to bulky items, each load receives the specialized care it deserves, protecting your clothes from damage and extending their lifespan.

The Power BLDC Motor:

The BLDC Motor is at the heart of our washing machine's performance, delivering unparalleled efficiency and power. With its advanced technology, it optimizes energy consumption, reducing electricity usage while maintaining the highest level of washing performance. Say goodbye to the old, energy-draining motors and embrace the future of washing with the BLDC Motor.

Revolutionary Spin Speed:

Efficiency meets performance with a maximum spin speed of 1200 rpm. The **MATURA SIGMA** harnesses this incredible power to reduce drying time and save energy, leaving your clothes fresh, crisp, and ready to wear in no time.

MATURA SIGMA series washing machines

SIGMA MAS1808

Capacity 8 kg /1400 RPM

Specification

Energy Efficiency Class	B
Power Supply	220-240V/50Hz
Max, Spin Speed (rpm)	1,200
Drum volume (L)	68.5
Standard Cycle Time ECO 40-60	218
Rated Power (W)	1800
Wash power (W)	250
Water Consumption (L)	48
Display type	Big display
Motor type	BLDC
Noise Level	B
Door open type	Front / Right open
PROGRAMS: 16	Mixed, ECO40-60, Cotton, 20°C, Gentle, Wool, Night, Antibacteria, Drum clean, Rinse&Spin, Spin, Kids wear, Shirts, Underwear, Quick30', Super15'
Temperature	Normal/20°C/40°C/60°C/80°C
Control type	Touch
High temp anti-bacteria	YES
Delay start	24h
Key content: 7	Power/Start&Pause/Steam prewash/Add rinse/Water temp./Spin speed/Delay end
Open door angle (°)	130
Color available	White/dark grey
Net weight (kg)	62
Gross weight (kg)	68
Dimensions	598*608*845
